ABOUT TRANSITIONS LIFECARE

Founded as Hospice of Wake County in 1979, Transitions LifeCare (TL) provides medical care to seriously and terminally ill patients and support to their families. The primary services include hospice care (for those facing six months or less); palliative care (pain control and symptom management ; pediatric care (hospice and palliative care for children); home health aides (sick bed care, nutrition and more); caregiver support; and grief counseling. For more information, please visit our website at www.transitionslifecare.org.
