

# Help at Home for Patients With Advanced Illness

## Transitions HomeHealth Provides:

- 24-hour on-call medical assistance
- Nurses
- Home health aides
- Social workers
- PT, OT, SLP
- DME coordination

## Payors Accepted:

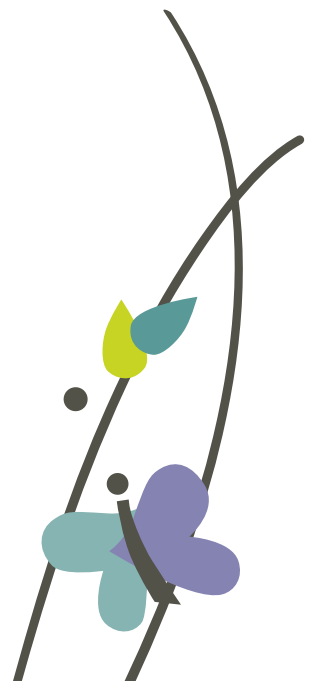

- Medicare and Medicaid
- Most private insurers
- Private pay
- Patients accepted regardless of ability to pay

*Per Medicare regulations, patients must be homebound and have a qualifying "skilled" need. Transitions HomeHealth will evaluate patients for qualification at no charge.*

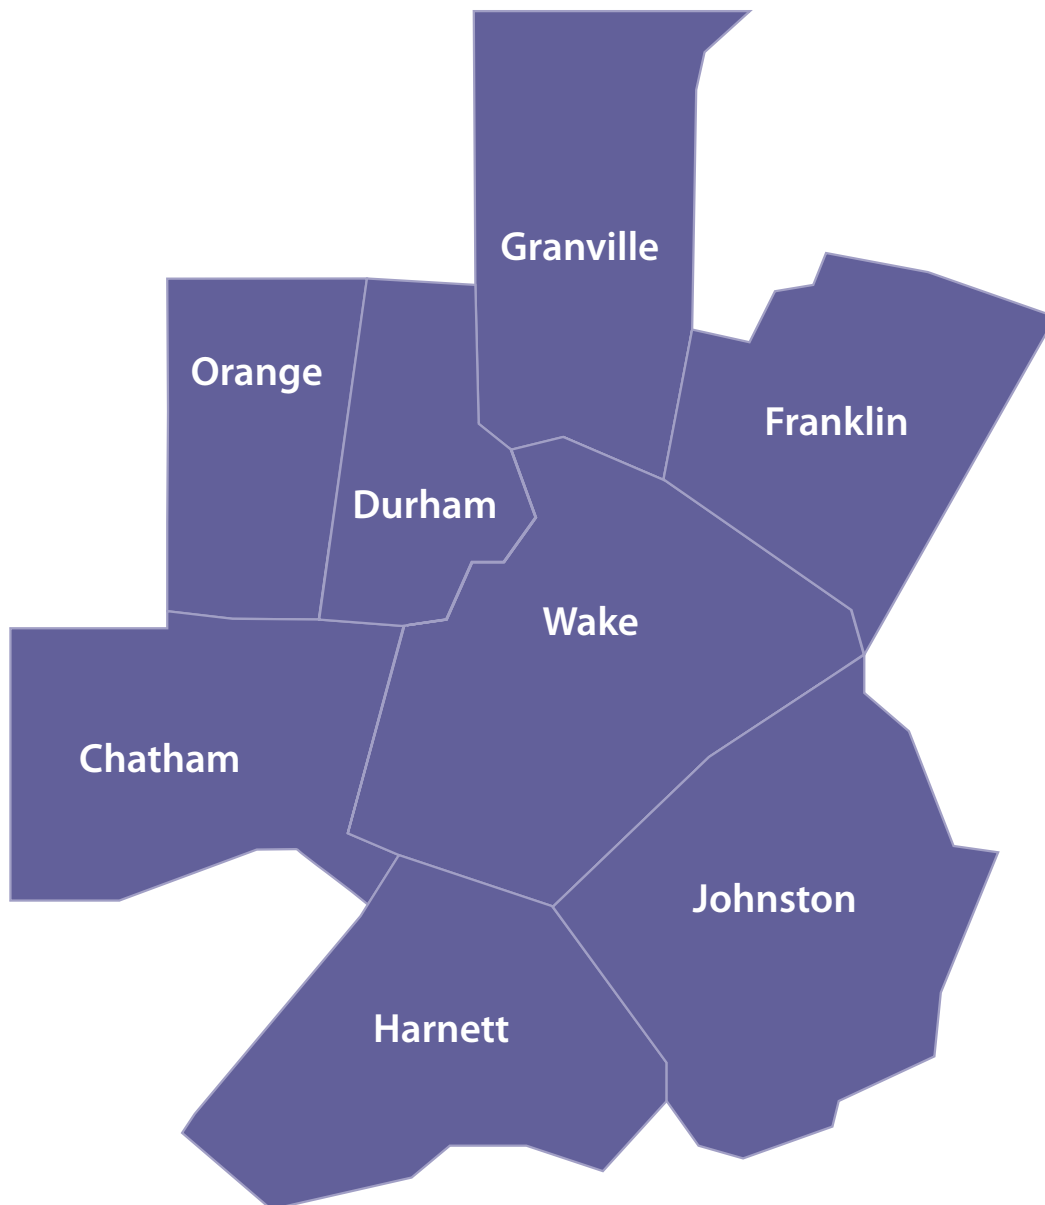

## Oncology Patients:

- Patients **may still receive other curative care.**
- **Referral triggers include patients who have who have needs for:**
  - Medication management and/or teaching related to new or complex medications
  - Pain or symptom management, either related to the disease or the treatment
  - Assistance with nutrition and diet
  - Caregiver training

**Referral Fax: 919.828.9514**
